Your Notice of Intent (NOI) requesting coverage for Cambridge, 62 Whittemore Ave. Cambridge MA 02140 under EPA's Multi-Sector General Permit (MSGP) has been updated.

Attached to this email, you will find a copy of your completed NOI form. To access your NOI in NeT, please visit:

[https://cdx.epa.gov/epa\\_home.asp](https://cdx.epa.gov/epa_home.asp).

Please note that your monitoring and reporting requirements under the MSGP may have changed as a result of changes made to your NOI. The MSGP includes five types of required analytical monitoring, one or more of which may now apply to your discharge:

- Quarterly benchmark monitoring (see Part 6.2.1 and Part 8);
- Annual effluent limitations guidelines monitoring (see Part 6.2.2 and Part 8);
- State- or tribal-specific monitoring (see Part 6.2.3 and Part 9);
- Impaired waters monitoring (see Part 6.2.4); and
- Other monitoring as required by EPA (see Part 6.2.5).

Your monitoring requirements and sample frequency will be prepopulated on your electronic Discharge Monitoring Report (DMR) in EPA's NetDMR system, which is accessed at <http://www.epa.gov/netdmr/>. In order to obtain access to this system, you must complete the electronic signature process. Please remember that the first individual that goes into NetDMR to create their account must be the person who will be signing and certifying the DMRs for the facility. Also, if this person is not a responsible official (e.g., for a corporation this would be a corporate officer) then they must receive authorization from the responsible official as part of the subscriber agreement submitted by the facility. Please refer to the following guidance for information about submitting monitoring reports through NetDMR:

<http://www2.epa.gov/national-pollutant-discharge-elimination-system-npdes/stormwater-discharges-industrial-activities#ereporting>. Please refer to EPA's Industrial Stormwater Monitoring and Sampling Guide at

<https://www.epa.gov/npdes/stormwater-discharges-industrial-activities#msgp> for guidance about monitoring.

Please note that this email does not represent a determination by EPA regarding the validity of the information you provided in your NOI. Your eligibility for coverage under this permit is based on the validity of the certification you provided. Your electronic signature on the NOI form certifies that you have read, understood, and are implementing all of the applicable requirements. An important aspect of this certification requires that you have correctly determined whether you are eligible for coverage under this permit.

The 2015 MSGP and additional guidance are available at: <https://www.epa.gov/npdes/stormwater-discharges-industrial-activities#msgp>.
